

## **CLOTHING AND GEAR**

### **EVERGLADES/TEN THOUSAND ISLANDS SEA KAYKING OR CANOEING**

#### **WHAT WE SUPPLY**

North Carolina Outward Bound supplies the technical equipment needed for your course including a kayak or canoe, shelter, sleeping bag, sleeping pad, rain gear, compass, cooking equipment and eating utensils. At the end of course, you will clean all gear that was issued to you. Bring only the items on the Clothing and Gear list.

#### **WHAT TO BRING**

Because our courses are characterized by unpredictable weather, obtaining the proper clothing is crucial. Please bring the items on the Clothing and Gear list as described. You can find these items at camping, outdoor and thrift stores, Army/Navy surplus, outlets, and mail-order catalogs.

Clothing and gear can be expensive. Shop around before you buy. Buy last year's model; don't worry about colors or style. Your choices should be governed by whether or not the piece of clothing or gear will meet our requirements, not if it is the best looking or newest! Many students use the following websites to shop for clothing and gear:

Recreational Equipment Incorporated - [www.rei.com](http://www.rei.com)

Eastern Mountain Sports - [www.ems.com](http://www.ems.com)

Sierra Trading Post - [www.sierratradingpost.com](http://www.sierratradingpost.com)

Campmor - [www.campmor.com](http://www.campmor.com)

When you arrive for course start, you will not have an opportunity to purchase forgotten items!

#### **FABRICS**

It is important that all your clothing be comfortable, quick-drying and warm. Fabrics such as polyester, polypropylene, fleece, acrylic, rayon, wool or name brands like Polartec™, Thinsulate™, COOLMAX® and Capilene are just a few favorites of outdoor enthusiasts, since they retain much of their insulating qualities when wet. There are other brand names as well. Check with a sales associate or mail-order representative. Do not bring down, denim or cotton clothing (unless otherwise indicated).

Our Clothing and Gear list reflects the layering principle. Several layers of light clothing keep you warm and can be adjusted to changes in both weather and activity. For example, wearing a polypropylene undershirt, a mediumweight wool or synthetic sweater and a fleece jacket allows you to adapt to changing conditions.

#### **PACKING AND STORAGE**

Pack your clothing and gear in a duffel bag or soft luggage container. When you arrive, you will receive the items Outward Bound provides (see "What We Supply" section) and your instructors will teach you and your crew how to pack for your expedition. You will keep personal items such as clean clothes (for your return trip home) and valuables (cell phones, electronic devices and wallets) in your duffel or soft luggage container. These items will be stored at our base camp facility in a locked storage bin while you are on course. Leave expensive items at home.

## **MEDICATIONS**

Prescription medications brought on course must arrive in the original container with the prescription label intact. The prescription label is documentation for use of the medication while on course. The container should not include other medications, vitamins, etc. Refer to the Medical Records booklet - “Medications”.

Do not bring non-prescription medications such as aspirin, Advil, etc., unless it is listed in your Medical Record booklet. We have a medical kit that contains these medications.

## **YOUR EYES**

North Carolina Outward Bound staff recommends glasses with a holding band versus contact lenses. It is more difficult to maintain adequate hygiene when wearing contact lenses in a wilderness setting. Wearing contact lenses may put your eyes at risk of infection or corneal ulcers. These conditions can develop very quickly and can be very serious. In rare cases, these conditions can cause blindness. If you do choose to wear contact lenses, bring both a backup pair of contacts and glasses. Be sure to bring enough contact lens solution and be diligent in your contact lens routine. For more information please visit the FDA website:

Food and Drug Administration - [Contact Lenses](#)

## **SKIN CARE**

Remember – you will be outside the entire time you are on course. Keeping yourself protected against insect bites, sunburn and other types of skin irritation is important to your comfort and safety on course. It is your responsibility to follow your instructor’s directions and monitor how your skin is reacting to the environment. We don’t want you leaving course sunburned or covered with insect bites.

It is clear to wilderness enthusiasts that the best protection from biting insects, bugs and sunburn is the physical barrier of clothing. Therefore, we emphasize that you bring the required clothing and gear listed. DO NOT bring “short” shorts! If you do, you are only exposing your skin to insect bites, sunburn and abrasions as you expedition.

If you are traveling by air, be aware of TSA guidelines. To avoid TSA taking items out of your carry-on luggage (like insect repellent and sunscreen), pack these items in your checked luggage or do not exceed size specifications. For more information please visit the TSA website:

Transportation Security Administration - [Carry-ons](#)

## **MONEY**

You should bring approximately \$50 with you. You may encounter food and lodging expenses before and after your course. In addition, you and your crewmates are financially responsible for any lost or damaged NCOB gear or equipment.

## **ELECTRONIC DEVICES AND COMMUNICATION**

Cell phones, tablets, GPS devices, and all other electronic devices (except digital cameras) are not permitted on course. Our courses are meant to push participants out of their comfort zones. Part of this “push” includes stepping away from electronic devices. Electronic devices can be very distracting and can disrupt the wilderness experience.

**Cell Phones:** Although cell phones are not permitted on course, traveling to and from your course with a cell phone and a charger is encouraged. At course start, you will be asked to turn off your cell phone and store it in your personal luggage. Your luggage will be locked in a group storage bin at our facility for the duration of the course.

**Cameras:** Cameras are welcomed at North Carolina Outward Bound. We recommended waterproof disposable cameras. If you elect to bring a non-disposable camera, we advise that you store it in a small “dry bag” or plastic zip lock-bag. Our courses are rigorous and there is a risk of losing or damaging your camera. **Cell phone cameras, tablets, and any other Wi-Fi enabled electronic devices with built-in cameras are not permitted on course.**

**Postal Mail:** Mail delivery is not available on Everglades/Ten Thousand Islands courses.

**Emergency Communication:** If a family emergency occurs while the course is in progress, emergency messages can be relayed by calling our toll-free number (800-878-5258) on weekdays 8:30 AM – 5:00 PM Eastern time. Before your course begins, you will receive an e-mail that will provide an after-hours and weekend emergency phone number.

## CLOTHING AND GEAR

This Clothing and Gear list is the result of many years of staff and participant feedback. Please follow this list closely. Points to keep in mind while planning and shopping:

- Changing weather conditions may require use of all of these items. Keep receipts and tags from new purchases so any unused items can be returned after course.
- Clothing should be made from synthetic or wool fibers such as polyester, polypropylene, fleece, acrylic, rayon, wool or name brands like Polartec™, Thinsulate™, COOLMAX™ and Capilene.
- Wearing white or light colored clothing keeps you cooler; in addition, they attract fewer biting insects. Dark colors are acceptable for insulating attire.
- Cotton clothing loses its insulating properties when wet. Also, cotton does not dry quickly in the outdoors. For these reasons, do not bring items made with cotton unless otherwise noted.

---

### REQUIRED UPPER BODY CLOTHING

- 1 mediumweight fleece jacket or pullover (200 weight fleece)  
**Comfortable, breathes well, insulates when wet. A sufficiently warm wool or wool/synthetic sweater may be substituted - if in doubt, bring two sweaters.**
- 1 mediumweight synthetic long underwear top
- 1 long sleeved, light colored button up shirt
- 2-3 synthetic t-shirts
- 3 sport/jog bras (if applicable)

### HEAD

- 1 mediumweight fleece or wool hat that covers your ears and the back of your neck
- 1 wide-brimmed sun hat or baseball cap
- 1 bandanna (used to shield your head, neck or face from insects and sunburn)

### EYES

- 1 pair sunglasses
- Prescription eye wear and/or contacts (if applicable)  
**Bring an extra pair in case of loss or damage. If you have limited vision without your glasses, bring prescription sunglasses.**
- Retainer straps (make sure they fit your glasses tightly and have an adjustable strap)
- Hard cases to store glasses

### HANDS

- 1 pair of lightweight synthetic gloves (for sun protection)

### REQUIRED LOWER BODY CLOTHING

- 1 mediumweight synthetic long underwear bottom
- 1-2 pairs of quick-dry nylon trekking pants (can be the type that converts to shorts)
- 2 pairs of quick-drying nylon shorts (at least one with liner; no “short shorts”)
- 2-4 pairs of synthetic, quick-dry (not cotton) underwear or boxer shorts

## FEET

- 1 pair of **WET SHOES**: secure fitting shoes that enclose the entire foot and have a hard sole, such as old running shoes or sneakers. These shoes will be worn when paddling and WILL get wet.  
**UNACCEPTABLE WET SHOES**: Any open toed and/or open heeled and/or open side sandals (Teva, Chaco, Keen), clog type shoes or flip flops (Crocs), Vibram 5-finger shoes, aqua socks or low cut slip-on shoes.
- 1 pair of lightweight running shoes (to be used for running and can be used as your CAMP SHOE)
- 1 pair of CAMP SHOES: The running shoes listed above may double as your camp shoe, OR you can bring a Croc-type shoe or a sport sandal. This camp shoe MUST fit securely, have a hard sole, be closed toed, and enclose the majority of the foot.
- 1-2 pairs of mediumweight wool or synthetic socks
- 2 pairs of lightweight synthetic socks

## ADDITIONAL REQUIRED ITEMS

- \$50 cash (see “Money” section)
- Prescription medication (if applicable)
- FOR SEA KAYAKING COURSES ONLY: 1 water bladder with bite-valve (Platypus, MSR). Hydration backpacks are not recommended.
- 1 LED style headlamp with 1 spare set of batteries (recommended) OR 1 standard headlamp with 3 sets of spare batteries and one spare bulb. Avoid halogen bulbs to prolong battery life.
- 1 small bottle of insect repellent (no aerosol or wipes)<sup>1</sup>
- 1 waterproof watch with alarm
- 1-2 tubes of sunscreen SPF 30+ (should be less than 1 year old)<sup>1</sup>
- 1-2 lip balms SPF 30+ or greater
- 1 small bottle of foot powder (Gold Bond is highly recommended.)
- 3 pens or pencils
- 1 old twin flat sheet (39 x 75 inches) or sarong (55 x 57 inches) or shemagh (44 x 44 inches) to cover up from bugs on hot nights and for discrete clothing changes
- 2-4 gallon-sized zip lock bags (for keeping items like notebook, camera dry and clean)
- Travel size toiletries for expedition: small toothbrush, small tube of toothpaste, comb or brush (we will provide you with biodegradable soap)<sup>1</sup>
- Travel size toiletries that will stay at base camp: shampoo and conditioner, soap, towel, toothbrush, tooth paste, comb or brush (for post course clean up.)<sup>1</sup>
- 1 sets of extra clothes for travel days

<sup>1</sup>If you are traveling by air, be aware of TSA guidelines. To avoid TSA taking items out of your carry-on luggage (like insect repellent and sunscreen), pack these items in your checked luggage or do not exceed size specifications. For more information please visit the TSA website:

Transportation Security Administration - [Carry-ons](#)

## OPTIONAL ITEMS

It's nice to go light, but many past students also recommend bringing the following items:

- Crazy Creek camp chair
- Camera (with extra batteries and memory card or extra film)
- 1 unlined nylon shell windbreaker

## **IMPORTANT NOTE ABOUT MEDICATIONS**

Refer to section titled MEDICATION in this Clothing and Gear booklet or contact our Medical Screener at [medical@ncobs.org](mailto:medical@ncobs.org) or 1-800-709-6098.

## **SEA KAYAKING PHYSICAL CRITERIA**

If you are enrolled on a sea kayaking course and one or more of the following criteria applies to you, you may not fit comfortably in our sea kayaks. Please contact your Student Services Representative if your:

- Height is 6 ft. +
- Weight is 275 lbs. +
- Shoe size is Men's 12 +
